While always a most competitive game, the continued strength of the sport has relied upon the acceptance of the umpire's decision and the preparedness to play within the "spirit of the game".

Any such evidence should be supported by a declaration to the effect that the footage is unaltered.
- 8.3 The Match Committee is responsible for all reports against players, teams, officials and clubs. Upon receiving notification of a report, the Match Committee will be considered to have formally laid a charge against the party in question, at which time the reporting entity will be relieved of this responsibility. The reporting entity may be called as a witness by the Match Committee should the report proceed to a tribunal hearing. In the event of the matter proceeding to a tribunal hearing it shall be the responsibility of the Match Committee to prosecute the case.
- 8.4 Notification of reporting process

 - (b) In the event that this does not occur, the person shall notify the General Manager of the report no later than 6pm on the day following the alleged offence.
 - 8.4.2 Such notification shall be a report on the appropriate form showing the reported party(ies) name and club and detailing the nature of the offence.
 - 8.4.3 Upon receipt of such a report, the General Manager shall, by no later than 48 hours after the scheduled end of the match in which the alleged offence occurred.:
 - (a) Notify the reported player, team, official or club that a charge has been laid against them. Notification will be considered to have been given from the time a club is sent electronic correspondence, or otherwise contacted in relation to their reported player, team, official or club.
 - (b) Notify the Match Committee of the report.

8.4.4 The General Manager will liaise with the Match Committee within 24 hours of receiving notification of the report to determine the eligibility of the reported player, team, official or club to be offered the minimum mandatory penalty (as per By Law 8.7) on the basis of their past record and/or the seriousness of the report, and inform the charged party(ies) of the decision.

8.4.5 Should the reported player, team, official or club not be deemed eligible to be offered the minimum mandatory penalty the matter is to be heard by an Independent Tribunal.

- 8.5 Players, teams, officials or clubs reported for any of the listed Level 1 offences may choose to take the minimum mandatory suspension (1 match), or proceed to an Independent Tribunal hearing.
- 8.6 Where a reported player, team, official or club elects to decline the minimum mandatory penalty, the intention to do so shall be lodged in writing with the General Manager no later than 6.00pm on the day after such offer has been made.
Where a minimum mandatory penalty is declined, the report shall proceed to the Independent Tribunal.
If an intention to decline the minimum mandatory penalty is not received in the above time frame, an acceptance of the minimum mandatory suspension will be deemed to have occurred

8.7 **Reports**

Any player, team, official or club who is reported for any offence will receive a minimum mandatory penalty relative to the level of the offence to be served immediately in addition to any other penalty that the tribunal may wish to apply.

There are two processes for reporting unsatisfactory behaviour

- Less serious breaches (Level 1) refer to Warnings (8.8)
- Serious breaches of misbehaviour (Levels 2, 3, 4) will see the player immediately reported by the umpires.

If a player is found guilty of an act of misconduct, they will be liable to such penalty as is considered appropriate by the WMDCA Independent Tribunal.

8.8 **Warnings**

For less serious breaches where an umpire has occasion to speak to a player, team, official or club regarding their behaviour, but does not believe a report is necessary, the incident shall be recorded on a player behaviour form and noted on the Umpires' Match Report. The party or parties in question may receive an official warning after it is reviewed by the WMDCA Match Committee. If a player receives two such warnings or a warning and a report (within any 24 month period) it will be a mandatory one week suspension plus any additional penalty for the pending report

In addition, any player or team penalised under the following Laws shall be noted on the Umpires' Match Report and the player or team will receive an official warning after referral from the match committee as per procedures in By Laws 8.4.3.

Where the party refers the warning to the Independent Tribunal, if found guilty by the Independent Tribunal, the reported party will receive the minimum mandatory penalty to be served immediately in addition to any other penalty that the Tribunal may wish to apply.

Captains are ineligible to receive a warning from the umpire, if they commit any alleged breach. The matter will be dealt with by the match committee to determine what appropriate penalty applies, which may include a warning.

Initial Action by Umpires

The umpires shall take action with respect to any unacceptable conduct. There are six levels of offences. If either umpire considers that the conduct of a player at any time during the match is unacceptable, the umpire concerned shall call and signal 'dead ball'. This call should be delayed until the umpire is satisfied that it will not disadvantage the non-offending team. The umpire concerned shall report the matter to the other umpire and together they shall decide whether misconduct has occurred. If so, they shall determine into which of the levels the conduct falls, as set out below, and apply the appropriate reporting procedures.

Level One Offences

Any of the following actions by a player is a Level 1 offence:

1.1 Wilfully mistreating any part of the cricket ground, equipment or implements used in the match. This includes any action outside the course of normal cricket actions, such as hitting or kicking the wickets, and any action that intentionally or negligently results in damage to boundary fences, dressing room doors, mirrors, windows and other fixtures and fittings.

1.2 Showing dissent at an umpire's decision by word or action. This includes:

- excessive, obvious or inappropriate disappointment with an umpire's decision
- an obvious delay in resuming play or leaving the wicket
- shaking the head
- pointing or looking at the bat or body when given out
- snatching cap from the umpire
- indicating a referral to a 'TV umpire' by word or gesture
- arguing or entering into a discussion with the umpire about the decision.

It is not a defence to show that the umpire made an incorrect decision.

1.3 Using language that, in the circumstances, is obscene, offensive or insulting, making an obscene gesture (includes audible or repetitious swearing, and obscene gestures which are not directed at another person, such as swearing in frustration at one's own poor play or fortune. This offence is not intended to penalise trivial behaviour. When assessing the seriousness of the breach, the umpire shall take into account the context of the particular situation and whether the words or gesture are likely to be regarded as obscene, give offence, or insult another person)

1.4 Appealing excessively: advancing towards an umpire in an aggressive manner when appealing (including repeated appealing or celebrating or assuming a dismissal before the decision has been given. It is not intended to prevent loud or enthusiastic appealing).

1.5 Pointing or gesturing by a bowler or fielder to the batter upon dismissal.

1.6 Any other misconduct, the nature of which is, in the opinion of the umpires, equivalent to a Level 1 offence.

Level Two Offences

It is not a defence to show that the umpire made an incorrect decision.
- 2.2 Making inappropriate and deliberate physical contact with another player. Cricket is a non-contact sport, and inappropriate physical contact of a serious nature will not be tolerated. Without limitation, players will breach this regulation if they deliberately walk or run into or shoulder another player. Accidental or genuinely unavoidable physical contact that occurs during the course of play shall not be considered an offence under this level.
- 2.3 Throwing the ball or any other item of cricket equipment at a player, umpire or another person in an inappropriate and dangerous manner. This offence does not prohibit a fielder or bowler from returning the ball to the stumps in the normal fashion.
- 2.4 Using language or gesturing to another player, umpire, team official or spectator that, in the circumstances, is obscene or of a serious insulting nature. It is acknowledged that there will be verbal exchanges between players in the course of play. Rather than seeking to eliminate these exchanges entirely, umpires will report conduct that falls below an acceptable standard. This offence is not intended to penalise trivial behaviour. When assessing the seriousness of the breach, the umpire shall take into account the context of the particular situation and whether the words or gesture are likely to be regarded as obscene, give offence, or insult another person.

15 WORKING WITH CHILDREN AND CHILD SAFETY

15.1 Statement of Commitment to Child Safety

The WMDCA is committed to protect the welfare of Children involved in the sport of cricket by creating, implementing and complying with the following measures.

This includes.....

- 4) **Inform** and engage families in respect to child safety and wellbeing
- 5) **Ensure** that equity & diversity is upheld through our policies and practices

The WMDCA will, in addition to the above, also take reasonable steps to promote the cultural safety of Aboriginal Children and Children from culturally and/or linguistically diverse backgrounds as well as promoting the safety of Children with a disability.

15.2 Working with Children Check

Under the Working with Children Act (2005) and subsequent Amendments (2017), people engaged in "child related work" must apply for and pass the Working with Children (WWC) check.

Under the Act, a person involved in cricket is considered to be engaging in child related work and must apply for a Check if they:

- Work or volunteer in a role that brings them into contact with children under 18; and
- Volunteer or do this work on a regular basis; and
- Do not qualify for one of the exemptions in the legislation (subject to Cricket Victoria's policies).

Previously, those volunteers whose work was directly supervised were exempt from applying for a Working With Children Check. It is important to

note that amendments to the Working With Children Act 2005 now state that even if a person's contact with children as part of their child-related work is supervised by another person, they will still need to apply for a Working With Children Check.

- 15.3 In line with the above provisions or exemptions outlined under the WWC Act (2005) and subsequent amendments, the following shall apply to the WMDCA and its affiliated clubs:

15.3.1 All WMDCA Club and Association coaches and other personnel including but not limited to Managers and Junior Co-ordinators who have direct contact with children less than eighteen (18) years of age must obtain a Working with Children check and provide the Association with proof of registration together with the card expiry date unless specifically exempted under the WWC Act (2005). The WMDCA should be listed in addition to a club on a person's application for a WWC check. This will ensure the WMDCA will be notified in addition to the club. (NOTE: Direct Contact includes oral, written or electronic communication as well as face-to-face and physical contact. Consequently those that communicate via social media to people under 18 years of age are included.)

- 15.4 Exemptions

Cricket Victoria endorses the following exemptions from the legislation and it will recognise that Clubs and Associations shall not require the following individuals to apply for a Check (subject to appropriate proof being sighted):

- Persons aged under 18;
- Sworn Members of Victoria Police;
- Teachers registered with the Victorian Institute of Teaching (still required to sight the VIT registration and confirm online at www.vit.vic.edu.au)

- 15.5 Clubs

Cricket Victoria expects that Clubs with junior teams will, as a minimum requirement, have the following people apply for, and obtain, a Check:

- Junior Coordinator;
- Woolworths T Blast Coordinator;
- Team Coach and/or Manager of a team;
- Other members of the junior club who are involved in regular and direct contact with children. This contact can be oral, written or electronic communication as well as face-to-face and physical contact.

In the case where junior players are playing in a senior team, the minimum requirements for Clubs in this instance are as follows:

- Senior Coach;
- Club Secretary;
- Captains of teams;
- Other members of the senior club who are involved in regular direct contact with children. This contact can be oral, written or electronic communication as well as face-to-face and physical contact.

In all instances above, it is recommended that there is a central point of reference at the Club (“Nominated Person”) for recording and sightings of the Check. In majority of instances this will be the Club Secretary. An example record keeping form is available from <http://www.sport.vic.gov.au>

All Clubs must provide the General Manager of the Association a list of all Coaches and Managers who have direct roles involving children under eighteen (18) years of age on an ongoing basis.

Clubs must register all people who have or should have a WWC check as a “Coach” regardless of any role they may have on the Competition Management Platform at any time and state their WWC Check Number and expiry date.

15.6 Parents

Under the legislation, parents do not have to apply for a Check if their child is involved in the relevant activity. However, Cricket Victoria does not endorse this expression and it expressly requires that all parents that meet the criteria set out above apply for, and obtain, a Check. Cricket Victoria is one of a number of sports that have taken this view in order to maximise the protection of children involved in cricket.

15.7 Association

Cricket Victoria expects that Associations will, as a minimum requirement, have the following people apply for, and obtain, a Check:

- Association representative team Coaches and/or Managers that have players under the age of eighteen participating;
- Other members of the Association who are involved in regular direct contact with children. This contact can be oral, written or electronic communication as well as face-to-face and physical contact.
- Associations should also maintain a register, provided by each Club affiliated to that Association, of the people within the Association who have been approved under the legislation. It would not be necessary for the Association to sight actual check documents.

No person may coach, manage or have direct involvement with players under 18 unless they have either successfully obtained or submitted an application for a valid working with children check.

16 DISCRIMINATION AND HARASSMENT

- 16.1 No player of a club, or in the course of no player in their capacity as carrying out their duties, or any official, servant or agent of a club (including without limitation any coach, assistant coach, scorer or medical officer) or umpire or representative of the Association Board or any of its sub-committees, shall act towards or speak to any other person in a manner or engage in any other conduct which threatens, disparages, vilifies, insults, harasses, or discriminates against, any person ("the vilified person") on the basis of that persons race, religion, colour, descent, ethnicity, sex, sexual preference or disability.

- 16.4 Where the Board is of the opinion that the matter has not been resolved by conciliation the Board shall refer the matter to the Independent Tribunal to be dealt with as a reportable offence under the Laws of Cricket.
- 16.5 Where the person alleged to have contravened By-Law 16.1 has previously taken part in a conciliation (other than as a person vilified) the Board will refer the matter directly to the Independent Tribunal.
- 16.6 Any conciliation referred to in By-Law 16.3 shall be conducted by a person nominated by the Board, hereinafter called the Association Conciliator, to conciliate the matter. This person will be skilled in this area and can include a Director of the Board.
- 16.7 In the event the complaint is referred to the Independent Tribunal under By-Law 16.4, no evidence shall be given to or accepted by the Independent Tribunal relating to anything said or done in any conciliation carried out pursuant to.
- 16.8 The Association Conciliator shall make reasonable efforts to ensure that conciliation is completed by 5.00 p.m. on the third (3rd) working day following the day on which the incident is alleged to have occurred. In any case, where the Association Conciliator determines to refer the complaint to the Independent Tribunal, the Independent Tribunal will deal with the matter within forty eight (48) hours of the cessation of the conciliation process.
- Any time limit/s for the taking of action referred to in By-Law 16 may be extended by the Board if in the opinion of the Board it is just and equitable to do so.

17 MEDIA COMMENTS TOWARDS UMPIRES & MATCH REFEREES

- 17.1 Any player, team, official or club found to have made inappropriate comments in the media in relation to any umpire or match referee, shall have action taken against them. The Match Committee shall decide upon the appropriateness of the alleged comments made and the offending party will be given the opportunity to explain their actions. If the comments are found to be inappropriate, the Match Committee shall take action against the player, team, official or club under By Law 8 (REPORTING PLAYERS, TEAMS, OFFICIALS AND CLUBS).

Other WMDCA Club – Lower XI	3	Encourages fringe/second XI players to pursue higher grade
International player	3	Encouraged
